#### IDEAS.

Cast your first vote for-what you really think will most benefit the country.

Unusually good crops this year. Remember we shall not always be so prosperous, and use your extra income for something that will really put you ahead.

The Southern states that allow an day. ignorant man to vote just because he is white are putting a premium on white ignorance. The Negro has a motive for learning, and the white Woodlong Ill. man has none. In twenty years the Negro will be ahead.

Goebelism is outrage through the forms of Law.

Fall Term of Berea College opens Wednesday, Sept. 12.

#### God Will Sprinkle Sunshine.

If you should see a fellow man with trouble's flag unfurled.

An' lookin' like he didn't have a friend in all the day Go up and slap him on the back, and holler,

And grasp his hand so warm he'll know he has a zine friend in you. Then ax him what's a-hurtin' him, an' laugh s cares away.

And tell him that the darkest night is just before the day Don't talk in graveyard palaver, but say it right That God will sprinkle sunshine in the trail of

His fortune was acquired by great industry and business sagacity, and wholly dispensed in advancing the Kingdom of Christ. He was himself a simple, frugal, unostentatious man, a public to Berea from a far-off mountain home spirited citizen, and one of the early abolitionists. He helped Berea Col. to the third story of Ladies' Hall. lege from the begining, and was a Every friend of the college will have warm friend of President Frost.

The house was designed by Cady, Burns, Bruises, Scalds, Cuts, etc. the distinguished architect, of New

er eastern institutions. It is in the colonial style, with three stories (including the gambrel roof story) and ample basement. The south porch and balcony command a fine view of of the bold outline of mountains of which "Bear Knob" is chief. A prominent feature are the five stone fireplaces, and the great west chimney which appears in the "big room" and the study. The front room, which serves for hall and reception room, is J. C. MORGAN, 15x18, and the dining room of the same size. The "Big Room" is 18 x 32, and the study 18 x 24 with a ceiling 13 feet high. There are ten bedrooms.

The uses of the house will be very been planned with reference to such To begin with the house is built visitors. Besides this the need of a suitable home for the President and his family has been very urgent. They have never had such a home in Berea, and their health and usefulness have been diminished for the lack of it. And it will be a blessing no less to the people of the surrounding country.
